Construction and dismantling: General regulations

During the construction and dismantling periods, trucks are directed by a special guidance system close to the trade fair grounds.

The following regulations apply during INTERMOT 2010 for vehicles over 3.5 tons:

1. Trucks over 3.5 tons will be directed to P 22 from the start of the construction period (September 30th, 2010).

At P 22 vehicles will be registered and access permission will be granted for entering the trade fair grounds.

Access will not be granted to the trade fair grounds unless:

- The exact delivery location (hall, stand number, service door) has been assigned
- The required logistics services have been provided by the contract transport agency
- The required areas for loading and unloading are available at the halls
- The customs handling can be completed

Our traffic staff at P 22 will direct trucks to the grounds.

2. When the dismantling period begins (on the last day of the trade fair), all arriving vehicles will be directed to P 22 by means of signposting and with Police assistance.

Vehicles may not access the trade fair grounds until 9:00 p.m. on October 10th, 2010

Special regulations apply to vehicles weighing less than 3.5 tons (see access regulations on the last day of the trade fair).

Please note:

Vehicles will not be granted access to the trade fair grounds unless they first go to P 22!

Free parking for unloaded cars during construction and dismantling:

**Halls 5, 10:
Halls 6, 7, 8, 9**

**Parking decks 4, 5, 10
P 21 / Parking decks**
